Welcome

This is the first newsletter of the year and I hope you like it. The plan is to issue one every couple of months and include a calendar of events for the next three months and advanced warning of key dates such as the Pony Club show and Camp. It contains the contact numbers for the Committee and Discipline Coordinators so there's no reason not to join in. It is of course only as good as the information provided, so if you have an article or any information you would like considered, please email me, I particularly need information on results from competitions you have entered.

Paul Cheetham

Triathlon Team Excel

Sunday 19th February saw teams entered into the Cowdray Pony Club Triathlon at Chichester. Most of the team were first timers and we achieved excellent results.

Junior Boys 2nd Overall : Christopher Phillips-Hart (*individual 9th*), Jaime Cheetham (*individual 7th*), Rhys Crimmins (*individual 4th*)

Junior Girls 5th Overall : Hayley Wilson (pt of joint team)

Mini Boys 6th Overall : Dan Magee, Scott Wilson

Mini Girls 4th Overall : Hayley Phillips-Hart (*individual 2nd, Fastest Run & Furthest Swim*), Michaela Wilson, Chloe Laphorne, Lowri Crimmins (*individual 7th*)

Well done to all taking part (and thanks of course to the parents).

This provides an excellent foundation for the next Triathlon at South Berks Pony Club on Sunday 26th

The **Triathlon** consists of three phases, Shooting, Running and Swimming. Once the weather improves then a fourth phase, Cross Country Riding is added making a **Tetrathlon**.

If you are interested in entering the Triathlon or Tetrathlon,

please contact Paul Cheetham.

Training Rally's

Two successful training rallies were held in half term, a Cross Country Rally at Tweseldown and a Dressage Rally at Cottage Farm. The weather held off and everyone had a good time. See the Diary for the next training dates

Darren Hegarty - Chief Instructor

Darren has been a member of the Staff College and Sandhurst Hunt Pony Club

since he was a young lad being placed in the Area's. At the age of 16 he became a working pupil for the late Dick Stillwell who was the top BSJA coach. He passed with honours his BHS horse masters exam at the end of a year with him. Darren then became a stable jockey in a show jumping yard where he had a team of 5 show jumpers to compete, from novice to grade B. With the grade B Darren jumped in the Young Rider classes.

After a couple of years, Darren missed the Eventing and Tiny Clapman, a top international event rider offered him a job as stable jockey / head lad. It was this year that Tiny Clapman won her Silver medal in the Los Angeles Olympics. Darren got to ride and compete her horses whilst she was away training and in Los Angeles.

After a couple of years with Tiny, Darren decided to set up on his own. He produced his own horses from foals etc and took some of them to advanced and international level 3 day events. He was placed at several 3 day internationals.

Darren has also judged show horses and working hunters and been placed on several show horses and working hunters at the Royal International Horse Show, at Windsor and was Champion at Hickstead on a large riding horse. He has many county show wins and was placed at the Horse of the Year Show!

He has also groomed for international event riders over the years at Badminton, Europeans, World and Olympics, winning several best turned out prizes.
